The NWSS Sport Leadership Cohort and Healthy Schools New West is working to promote a healthier and more active New Westminster by bringing community, schools, families, and students together. Please join us on May 13th at Queen's Park to take part in our local run/walk followed by the Health & Physical Literacy Fair. All proceeds will go towards supporting our Sport Leadership Cohort and Health & Physical Literacy Education programing for all students in the New Westminster School District.

**Working to promote and improve Health & Physical Literacy
through education in our community!**
