Top Thoughts on Support – Parents

Have adequate staffing.
To ensure that all kids, those requiring extra support & those needing a challenge get their needs met.

More EAs in school
EAs are needed, not just for the ones with designation, but other students who need support as well.

Support IEPs written by staff
My son has an IEP from the end of last year with many recommendations for adaptive equipment. None of which have been provided yet.

Top Thoughts on Support – Parents

I would like to see proactive social emotional planning to support meet needs versus a reactive behavioral approach
I find responses to issues is usually via a take away approach i.e. there were probs at soccer = no more soccer vs. supporting collaborative play

Provide early assessment for all students to identify learning challenges before grade 3
Students with learnin disabilities should not have to struggle for years, feel bad about themselves and school, before their needs are identified.

I believe that we need to provide thorough supports for students with unique learning needs.
It is necessary in order for inclusion to be successful for all students.
