# Digital Citizenship
Resources for Parents

Be Internet Awesome
https://beinternetawesome.withgoogle.com/en_us/families

Digital Safety Resource by Google. The **Be Internet Awesome Family Guide** gives families the tools and resources to learn about online safety and citizenship at home.
Interland is an online game that makes learning about digital safety and citizenship interactive and fun.

Media Smarts (EN)
http://mediasmarts.ca/parents

Habilo Medias (FR)
http://habilomedias.ca/pour-parents

MediaSmarts has been developing digital and media literacy programs and resources for **Canadian** homes, schools and communities since 1996. They support teachers and parents with information and tools so they can help children and teens develop the critical thinking skills they need for interacting with the media they love.

Common Sense – Media
https://www.commonsensemedia.org/

Common Sense Media helps families make smart media choices. They have reviews for movies, games, apps, TV shows, websites, books, music etc. They also have a Parent Blog to help families understand and navigate the problems and possibilities of raising children in the digital age.

CyberWise
http://www.cyberwise.org/

Get wise about online safety. Learn about digital citizenship, Internet safety, security, privacy, sexting, cyberbullying, reputation management and more so *you* can help kids embrace technology safely and wisely.
