

Superintendent Update

Karim Hachlaf
November 24, 2020

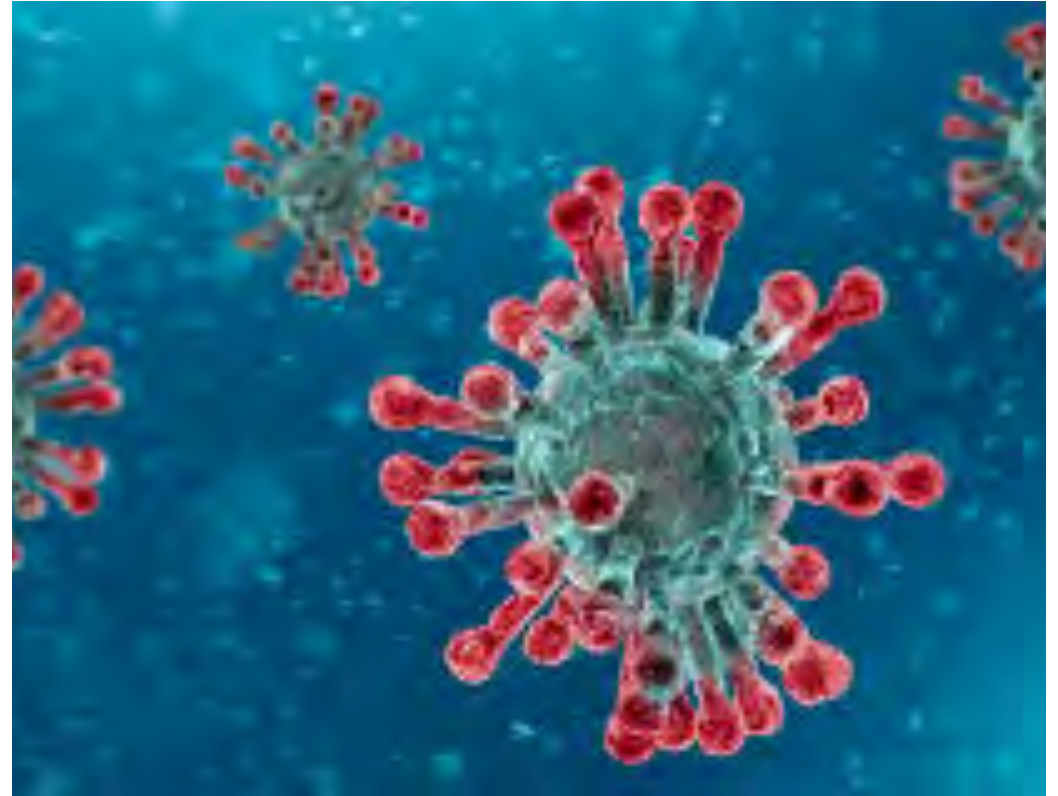

New
Westminster
Schools

COVID-19

CURRENT TRENDS

- Recent provincial orders have not changed our current protocols
- 549 active COVID-19 exposures in schools (16 NWS)
- 81% in 14 school districts
- 28 school districts have had 0 exposures
- Risk in school community is 4x lower than community at large
- In-school transmissions (12) are predominantly as a result of breakdown in protocols
- Half of our schools and programs have had 0 exposures and we have not sent any self-isolation notices

Measuring what matters

Our Strategic Direction

The 5-year plan & how every department contributes

[Learn more >](#)

Key commitments and results by department

Every department contributes to the short and long-term goals we're trying to achieve. And, by working together, we're improving learning now and into the future, making New Westminster a growth District not just in numbers but also in desire to work here, and building out new opportunities for students, staff and the community to connect with us. We invite you to learn more about how every department is working hard to help achieve that.
