Principal's Message:

Dear Connaught families,

As we reach the end of the school year, I find myself reflecting on what has been an incredibly meaningful and rewarding first year in my role as Principal here at Connaught Heights. It has been a privilege to join this community and to learn alongside such dedicated staff, engaged families, and, most importantly, our amazing students.

Stepping into a new school always brings both excitement and learning. Over the past year, I have had the opportunity to get to know our students' strengths, our staff's passion for teaching and learning, along with the strong sense of care and belonging that defines this school and community. I am continually inspired by the way the Connaught school family comes together to support one another.

A few of the greatest highlights for me has been spending time in classrooms, on the playground, and at school events, seeing firsthand the curiosity, kindness, and perseverance our students bring to school each day. Their energy and enthusiasm remind us why our work matters so much.

As I reflect on this first year as Principal, I am filled with appreciation and optimism. I look forward to continuing to build on the strong foundation already in place and to working together to support our students' growth and well-being in the years ahead.

Wishing you all a restful and enjoyable summer.

With gratitude, Mr. Elves
