Telephone: 604-517-6220

October 27, 2025

Dear Students, Parents, and Guardians,

Re: Upcoming Provincial Graduation Assessments

We hope this message finds you well and that the school year is off to a productive and positive start. Please read this letter carefully, as it contains important information regarding mandatory graduation assessments.

As part of the British Columbia graduation requirements, students must complete the following provincial assessments:

1. Graduation Literacy Assessment 10 (GLA 10)
2. Graduation Numeracy Assessment 10 (GNA 10)
3. Graduation Literacy Assessment 12 (GLA 12)
4. Évaluation de littératie de la 12e année – Français langue seconde immersion
(*for French Immersion students only*)

This year, New Westminster Secondary School will offer two sessions for these assessments:

- January 2026 Session
 - Numeracy 10, Literacy 10, and Literacy 12: January 14, 15, and 16
 - French Immersion:
 - Written: January 13 (Morning)
 - Oral: January 22 (Morning)
- June 2026 Session (***for students who missed the January session***)
 - Numeracy 10, Literacy 10, and Literacy 12: June 8 and 9
 - French Immersion:
 - Written: June 8 (Afternoon)
 - Oral: June 9 (Morning)

Please note that these dates fall within our “Semester Incomplete Days.”

Évaluation de littératie de la 12e année is for our French Immersion students only. There is a written and an oral component to this assessment. The written component is scheduled for **January 13th morning**, and the oral component is scheduled for **January 22nd morning**. Furthermore, we have scheduled the written component for **June 8th afternoon** and **June 9th morning** for the oral component.

Technology Requirements:

School devices will be available; however, we encourage students to bring their own fully charged laptop or tablet, along with a charging cable if possible.

Registration:

No action is required from students at this time. NWSS will automatically register students for these assessments. Detailed information, including assigned dates and times, will be emailed to students closer to the assessment dates.

Note: More specific information (Room location, times and alpha allocation, etc.) will be shared out to our community closer to the assessment date.

If you have any questions or concerns, please contact our Records Clerk, Nicole Hopkirk, at nhopkirk@sd40.bc.ca.

Thank you for your continued commitment to learning and growth.

Warm regards,

New Westminster Secondary School Administration
