### Grade 8 Course Selection:

Over the next few weeks, Grade 8 students will begin their course selection for their Grade 9 classes at NWSS. During the first week of February, NWSS staff will be visiting QMS to share information with Grade 8 classes. In the Order December in advance of delivery. In the meantime, students and parents can check out more information using the link below:

<https://newwestschools.ca/nwss/students/course-selection/>

### Principal's Message:

It was another eventful week here at QMS. On Monday, Grade 7 and 8 classes participated in an informative presentation (c/o Get Real Movement) where the focus was on anti-black racism. Students were engaged and reflective as they shared their questions and thoughts about how they/we can all contribute to a kinder and more equitable society, free of discrimination. Thank you to our students and teachers for participating in such an important conversation. On Wednesday, our Grade 5 classes participated in a presentation by Victoria Woelders (c/o ARC-BC) on how to access and use digital books.

Meanwhile, this past week students wrapped up their third exploratory rotation, as we near the mid-point of the term. This upcoming Thursday, Grade 6-8 students will be placed into new exploratory classes as they begin their fourth rotation of the school year. We also had a few classes on field trips this week. On Tuesday, Div. 12 & 14 enjoyed a fun morning of gymnastics at the Queens Park Sportsplex, while Div. 1 & 2 attended the NWSS musical theatre performance of *Thirteen* on Thursday afternoon. Finally, the week ended as our QMS Choir participated in a fun musical workshop with the NWSS Choir!

In sports, over the last few weeks our Grade 7 basketball teams have been practicing in preparation for their upcoming games (vs. other middle schools). We also had a great turnout for our Grade 5 ball hockey team, as QMS is putting a team together to compete in an upcoming tournament in March - stay tuned for more details. As for our Grade 8 boys basketball team, the boys played two home games this past week. On Monday, the boys won their home game vs Cariboo Hill but came up short in their match vs Burnaby South (Thursday). Thank you to those that came out to cheer on the team this past week.

Thank you to our QMS PAC for their successful A&W fundraiser on Wednesday, and thanks to those who attended our PAC meeting as well!

Enjoy your weekend!

John Lekakis  
QMS Principal

# School Routines and Expectations:

## QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

### The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

### Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

### Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
  - Interfere with the learning of others
  - Interfere with an orderly environment
  - Create unsafe conditions
- ◆ Acts of:
  - Bullying, harassment or intimidation
  - Physical violence
  - Retribution against a person who has reported incidents
  - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
  - Possession, use or distribution of illegal or restricted substances
  - Possession or use of weapons
  - Theft of or damage to property

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

## Safety First:

### Safety to and from School:

#### Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

#### Students:

##### Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

#### Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

### Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counsellor's office.

### Visitors:

**Please report to the office when visiting the school:**

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one of our "visitor" badges is helpful to staff who may not know you.

# NWSS Hockey Academy:

**Dear Grade 8 Students, Parents, & Guardians,**

As you prepare for the NWSS course selection process, we wanted to reach out with some important information regarding our program.

Every second year, we run our full AUDITIONED program. Recent productions have included *Shrek* and *Mamma Mia!* We are excited to announce that our next full-scale musical will take place in the early months of 2027. The planning process will start now, however!

Students who are interested in auditioning for a spot in our cast are encouraged to join our TEAMS PAGE (accessible to SD40 students) - Code: **5om8fqq** - to obtain information about the audition process AND to sign up for an audition time. Documents will be uploaded to FILES on the Teams page with specific details – **PLEASE READ!**

Students who make the program will be notified by spring break. Those who need more practice, will be encouraged to register for Musical Theatre *Foundations* (open to grade 9s who auditioned for the full program but require further instruction).

#### **AUDITION PROCESS AFTER SIGNING UP:**

1. **Prepare a memorized monologue** with full characterization (approximately 1-minute). Bring in a hard copy of the text so teachers can follow along.
2. **Prepare a memorized song** from the genre of musical theatre and have a downloaded karaoke track on your phone; we will connect your device to our speaker.
3. **Learn the dance that will be posted** on our TEAMS page (one week prior to auditions). Students will arrive to their audition at the START of the session and will perform the dance in small groups. Then, students will take turns to come in and individually perform their song and monologue (in any order).
4. **Bring with you the completed info sheet AND a current photo** we can keep (does NOT need to be a formal headshot; a colour photocopy would be fine).

**Crew Stream:** For students interested in learning about the behind-the-scenes aspects of musical theatre while being involved in the creation of a large-scale production. **THESE STUDENTS SHOULD REGISTER FOR THEATRE PRODUCTION AND EMAIL MS. WALNDER WITH THEIR INTEREST ASAP.**

-There are limited spots available so an interview to secure a spot may be required.

For more information, please contact Ms. Waldner or Ms. Monteleone at [lwaldner@sd40.bc.ca](mailto:lwaldner@sd40.bc.ca) or [fmonteleone@sd40.bc.ca](mailto:fmonteleone@sd40.bc.ca).
