### Principal's Message:

This past week our Little Mermaid preparations were ramping up into overdrive! Everywhere you look in QMS, students are rehearsing scenes, singing songs, designing and building sets and backdrops, creating and gathering props, organizing hair & make-up products, coordinating costumes - and the list goes on! We are so looking forward to sharing all these efforts & talents with our entire QMS community. Meanwhile, the second round of tickets have been made available for purchase through School Cash Online and will be cut off on Tuesday at noon. See p. 6 for more info.

The winter musical is a wonderful community-building event for our school. Our expectation is that all students in the school will be participating in **both the 1:15 p.m. and 7:00 p.m. shows**. All classes (except for actors & backstage crew) will be on the risers to the left and right of center stage during the actual performance to sing and/or participate in the chorus. In preparation for the evening performance, all cast members are asked to be at the school by 6:00 p.m. All other students are expected to be in their classrooms at **6:30 p.m. on Thursday, December 11**. Please contact the office or your child's teacher if you have any questions. The performances are approximately 75 minutes each.

In sports-related news, our Grade 8 boys basketball team played a couple of road games this week.

On Tuesday, the boys competed hard (despite a limited bench) but came up short vs. Vancouver College. Meanwhile, on Thursday the Tsunami won in a blowout vs EGMS. Way to go Tsunami! Our first home will take place in January (after the musical is over).

Enjoy your weekend.

QMS Principal

# School Routines and Expectations:

## QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

### The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

### Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

### Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
  - Interfere with the learning of others
  - Interfere with an orderly environment
  - Create unsafe conditions
- ◆ Acts of:
  - Bullying, harassment or intimidation
  - Physical violence
  - Retribution against a person who has reported incidents
  - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
  - Possession, use or distribution of illegal or restricted substances
  - Possession or use of weapons
  - Theft of or damage to property

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

## Safety First:

### Safety to and from School:

#### Parents and Guardians:

**Please take care when dropping off and picking up your children from school:**

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

#### Students:

##### Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

#### Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

**Check the school website for our “Best Routes to School” brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:**

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

### Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counsellor's office.

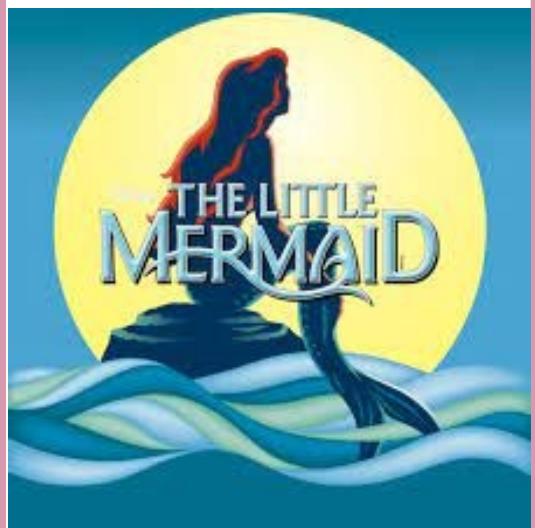

### Visitors:

**Please report to the office when visiting the school:**

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one of our “visitor” badges is helpful to staff who may not know you.

## QMS Presents...*The Little Mermaid Jr.*

*This message was shared on Thursday, November 27*

Hello QMS Families,

Our two Winter Musical performances of *The Little Mermaid Jr.* will be held on Thursday, December 11th at 1:15 p.m. and 7:00 p.m. The winter production is a wonderful community-building event for our school, as all students are given the opportunity to either be part of the musical chorus, cast, set and stage design or event planning. In preparation for the evening performance, all cast members are asked to be at the school by 6:00 p.m. All other students are expected to be in their classrooms for 6:30 p.m. The performances are approximately 75-90 minutes each. Students will not be dismissed until the performance is over.

Each person attending must have a ticket to enter. Adult tickets are \$12.00 each and high school students are \$8.00 each (~~and~~ no refunds will be given). Children under 12 are free but must have a ticket to attend.

As of 1:00 p.m. on Friday, November 28, families can log into their School Cash Online account and purchase tickets until December 4<sup>th</sup> (11:59 p.m. cut-off) in limited quantities (1:15 p.m. – up to 4 tickets; 7:00 p.m. – up to 2 tickets). **The second release of tickets is now live and will close at noon on Tuesday, December 9.** Tickets for the evening performance are in short supply, though there is much more room for the matinee performance.

As quantities allow, we will be having a second release of tickets on School Cash Online on December 5<sup>th</sup> (1:00 p.m.). For both performances, we will have a limited number of tickets available to the public for purchase at the door (cash only) up until 15 minutes before showtime.

Ms. Takhar and our Leadership students will be having a bake sale at both performances with the proceeds going to charitable causes. Don't forget to bring cash so you can enjoy some tasty treats! Ms. Averill's class will also be selling art pieces that they've created through their pottery exploratory. In addition, the QMS PAC will be fundraising with a 50/50 raffle (**cash only**) during both performances, with all proceeds going towards purchasing items for the school. Our PAC is looking for volunteers to help with the 50/50 raffle for one hour before each show. If you can help, please email Don at: [qmspaci2013@gmail.com](mailto:qmspaci2013@gmail.com)

Thank you again for all your support and we look forward to seeing you at one of our performances of *The Little Mermaid Jr.*!

### Principal's Message:

Simply amazing, QMS! Congratulations and thank you to the students and staff for all their talents and efforts in putting together two amazing performances of *The Little Mermaid Jr.* While it's been said before, it truly takes a village to pull off such a significant undertaking, and we are so very proud of the commitment and support of our QMS community. The QMS winter musical production continues to be a beautiful tradition and a wonderful community building event for our school.

After weeks of rehearsing scenes, singing songs, designing sets/backdrops, creating and gathering props, organizing hair and make-up, coordinating beautiful costumes, designing programs and posters - it was magical to see it all come together! We know that an undertaking of this size isn't possible without the support of a dedicated staff that wholeheartedly recognizes the impact of their efforts. The memories that are created and the overwhelming feedback we receive from families/guests each year is what energizes us and affirms our commitment to such a magical, community-building event. We are so very thankful and proud of our students and staff for their commitment to creating such a memorable and fulfilling experience! Thank you to all those who attended Thursday's performances - your support is truly appreciated!

Thank you to our QMS PAC for their fundraising efforts, raising \$933 with the 50/50 raffle. Thank you also to Ms. Takhar's leadership students with their bake sale and to all those who supported it. Thank you also to Ms. Averill and her students for the pottery art sale fundraiser! Finally, Thursday was bittersweet as it marked Ms. Averill's last day at QMS. We wish Ms. Averill and her family all the best in New York - she will be missed!

In sports-related news, congrats to our Grade 8 boys basketball team for winning the NWSS tourney this past weekend. Way to go team! Meanwhile, the boys went 1-1 as they played road games this week at Burnaby Central (loss) on Tuesday and STM (win) on Wednesday.

Enjoy your weekend.

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

## Safety First:

### Safety to and from School:

#### Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

#### Students:

#### Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

#### Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

### Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counsellor's office.

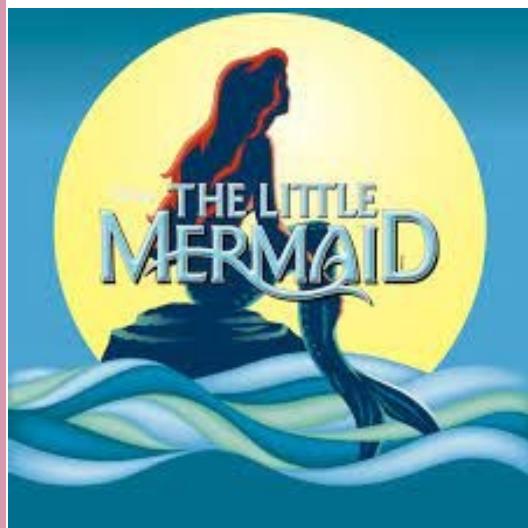

### Visitors:

**Please report to the office when visiting the school:**

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one of our "visitor" badges is helpful to staff who may not know you.

This past week was a fun and festive one as students participated in *Spirit Week* at QMS (including Jersey, Twin, Favourite Decade, Favourite singer and PJ Day). Several classes also enjoyed some ice skating at Moody Park Arena. Thank you to our QMS PAC for organizing our hot lunch day (A&W) on Wednesday!
