Principal's Message:

Well QMS, the first week of November is behind us - as the fall weather and shorter days are setting in. We are also 5 weeks away from our winter musical performance of *The Little Mermaid*. Indeed, rehearsals are in full swing for cast members, props and costumes are being prepared, and set backdrops are being planned. Students involved in the musical are reminded to pay attention to the morning announcements and to check the musical bulletin board for important musical info/updates.

In sports, on Monday and Tuesday our Grade 7 Girls and Grade 7 Boys had another strong showing at the FRMS volleyball tournament - the final tourney of the season. Congratulation to our Grade 7 Girls for winning the banner—way to go!! It's been a great season of player development and teamwork for both teams, and we look forward to see them play on the Grade 8 teams next year. Thank you to our Grade 7 coaches - Ms. Sidhu, Mr. Rouleau and Ms. Grewall!

On Wednesday, QMS had a special visit from Canadian Olympic bronze medalist swimmer, Brent Hayden. Brent gave a presentation to all the Grade 5 classes on the 'Hero in You' program, in advance of their field trip to the BC Sports Hall of Fame on Thursday.

Following National Indigenous Veterans Day on Saturday, parents are invited to attend our Remembrance Day assembly on Monday, November 10 (10:30 a.m.). The school will be closed for Remembrance Day on Tuesday, November 11. School will re-open on Wednesday. Parents are also invited to join us on Wednesday night for our QMS PAC meeting in the Library (7:00 p.m.).

The week began with our school community coming together for our Remembrance Day assembly (see p.7). Thank you to Ms. Ferris, Ms. Stephen, Grade 5 teachers & all staff and students who contributed to the lovely assembly that honoured the people that sacrificed their lives so that we may enjoy the peace and freedom we have today.

In sports-related news, we had a pep rally on Wednesday to recognize the efforts and accomplishments of our Grade 8 girls, Grade 7 boys and girls volleyball teams during their respective fall seasons. Congratulations again to our Grade 7 girls for winning the New West banner! Thank you Mr. Rai for organizing such a fun and spirited event. Meanwhile, the week ended with some field trips on Friday. Divisions 5 & 6 enjoyed their tour of the BC Sports Hall of Fame at BC Place, while Divisions 9 & 11 had fun ice skating at Moody Park Arena.

Rehearsals are in full swing for cast members, props and costumes are being prepared, and set backdrops are being planned. Re: Queensborough School Bus Service to New Westminster Secondary School

Dear Hon. Minister Beare, and Hon Minister Farnworth,

Students in the New Westminster community of Queensborough face unique barriers travelling to attend the district's only high school, New Westminster Secondary School, located across the Fraser River and over a major highway bridge. In response to requests from students and families, and after years of advocacy, the previous government funded the Queensborough School Bus pilot to provide dedicated and direct transportation to the high school at a nominal cost from January 2024 to June 30, 2026.

This pilot project has been a huge success. The need for the school bus program is clear with approximately 200 students using the service daily over the course of the school year. Families tell us these dedicated school buses have removed what was a huge source of stress and worry, as well as cost. When students relied on public transportation, buses were often full, leaving students stranded at bus stops and late for school.

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

Safety First:

Safety to and from School:

Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

Students:

Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counsellor's office.

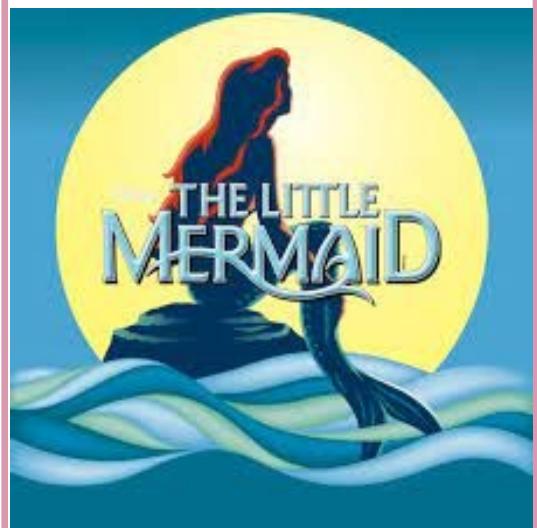

Visitors:

Please report to the office when visiting the school:

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one of our "visitor" badges is helpful to staff who may not know you.

Re: Queensborough School Bus Service to New Westminster Secondary School

Dear Hon. Minister Beare, and Hon Minister Farnworth,

Students in the New Westminster community of Queensborough face unique barriers travelling to attend the district's only high school, New Westminster Secondary School, located across the Fraser River and over a major highway bridge. In response to requests from students and families, and after years of advocacy, the previous government funded the Queensborough School Bus pilot to provide dedicated and direct transportation to the high school at a nominal cost from January 2024 to June 30, 2026.

This pilot project has been a huge success. The need for the school bus program is clear with approximately 200 students using the service daily over the course of the school year. Families tell us these dedicated school buses have removed what was a huge source of stress and worry, as well as cost. When students relied on public transportation, buses were often full, leaving students stranded at bus stops and late for school.

As you know, a 2024 campaign pledged permanent, free school bus service from Queensborough to NWSS, **and our students and families expect this commitment to be fulfilled.** To date, the school district has been unable to confirm government's fulfillment of this promise. **Our board of education urges early confirmation of ongoing, sustainable and sufficient funding to continue this valuable school bus service.**

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

Safety First:

Safety to and from School:

Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

Students:

Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counsellor's office.

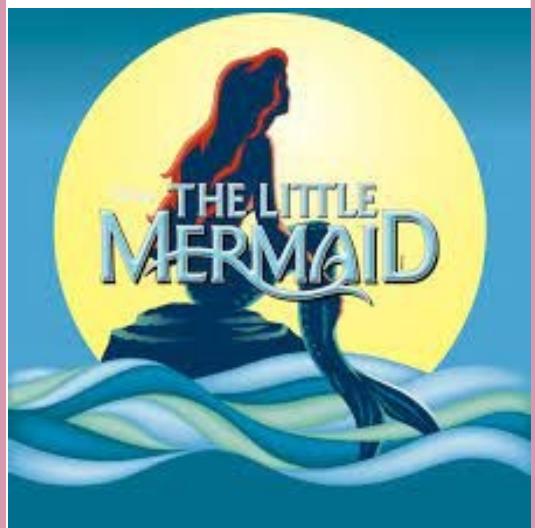

Visitors:

Please report to the office when visiting the school:

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one of our "visitor" badges is helpful to staff who may not know you.

QMS Winter Musical Production:

December 11, 2025 (1 p.m. & 7 p.m.)

QMS Presents...*The Little Mermaid Jr.*

This message was shared on Thursday, November 27

Hello QMS Families,

Our two Winter Musical performances of *The Little Mermaid Jr.* will be held on Thursday, December 11th at 1:15 p.m. and 7:00 p.m. The winter production is a wonderful community-building event for our school, as all students are given the opportunity to either be part of the musical chorus, cast, set and stage design or event planning. In preparation for the evening performance, all cast members are asked to be at the school by 6:00 p.m. All other students are expected to be in their classrooms for 6:30 p.m. The performances are approximately 75-90 minutes each. Students will not be dismissed until the performance is over.

Each person attending must have a ticket to enter. Adult tickets are \$12.00 each and high school students are \$8.00 each (and no refunds will be given). Children under 12 are free but must have a ticket to attend.

As of **1:00 p.m. on Friday, November 28**, families can log into their School Cash Online account and purchase tickets until December 4th (11:59 p.m. cut-off) in limited quantities (1:15 p.m. – up to 4 tickets; 7:00 p.m. – up to 2 tickets).

As quantities allow, we will be having a second release of tickets on School Cash Online on December 5th (1:00 p.m.). For both performances, we will have a limited number of tickets available to the public for purchase at the door (cash only) up until 15 minutes before showtime.

Ms. Takhar and our Leadership students will be having a bake sale at both performances with the proceeds going to charitable causes. Don't forget to bring cash so you can enjoy some tasty treats! Ms. Averill's class will also be selling art pieces that they've created through their pottery exploratory. In addition, the QMS PAC will be fundraising with a 50/50 raffle (cash only) during both performances, with all proceeds going towards purchasing items for the school. Our PAC is looking for volunteers to help with the 50/50 raffle for one hour before each show. If you can help, please email Don at: qmspac2013@gmail.com

Thank you again for all your support and we look forward to seeing you at one of our performances of *The Little Mermaid Jr.*!
