### Principal's Message:

Welcome to all our students and families as we begin the 2025-2026 school year! We hope you all had a fun and restful summer and are looking forward to the year ahead.

QMS is growing again! We are welcoming a few new staff members and our office staff has been busy with new student registrations. We currently have 405 students divided among 15 divisions. In June our staff worked very hard to make the best decisions for every class placement, and students are now settled into their classes. It often takes some time for students to adjust to a new environment, routines and new classmates — which is all part of the middle school experience. We appreciate your support and cooperation in reassuring your child that change (which comes with a new school year) brings fresh opportunities for students to learn and grow, and create new friendships.

During the last week of August, QMS staff met for two productive Professional Development Days. During this time we explored themes including enhancing the student experience, school community, culture curriculum and AI. For the last three years, our school's learning plan has focused on Social Emotional Learning (SEL), specifically on developing core SEL competencies to support learning, achievement and a growth mindset. This year our school goal will focus on numeracy and literacy.

We invite families to take an active interest in the school and their child's progress. A strong connection between home and school is key to optimizing each student's success. Your involvement matters - please consider participating in school activities. Parents/guardians are invited to attend the first PAC meeting on **Wednesday, September 17 at 7:00 p.m.** (Library) to find out about how you can be involved in our wonderful QMS community.

Ms. Ferris and I are looking forward to getting to know our new students, and learning together with all our staff, students and families this year.

Enjoy your Sunday!

John Lekakis  
QMS Principal

## Upcoming Events and Reminders:

### Leaving School at Lunchtime

We have a closed campus at QMS.

We ask that students stay at school and not leave the school property and the adjacent park during lunchtime between 11:55 a.m. and 12:45 p.m.

Students may go home for lunch **only** if they have a permission form signed by their parent or guardian.

This form must be completed each year and is available at the office. **Please ask!** This form is for going home, not for visiting the Community Centre or a store.

### Breakfast Program begins September 18: **VOLUNTEERS NEEDED!**

Students can enjoy a delicious and nutritious breakfast in the Foods Room every Wednesday & Friday morning (between 8:00-8:30 am) for only 50 cents.

If you would like to volunteer (one hour commitment) please email PAC Chair Don Doyle at [qmspac2013@gmail.com](mailto:qmspac2013@gmail.com)

Thank you to our community volunteers for providing this wonderful program to our students!

### Student Planners:

The planner is a powerful organizational tool for students and an important means of communication between parents and teachers.

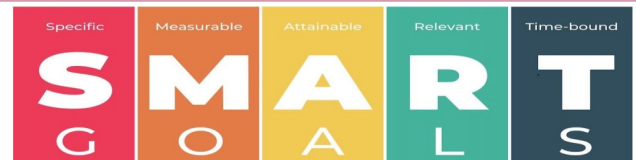

Students are expected to write homework assignments in their planners each day, and we ask that parents sign the planner each evening.

The cost of the planner is \$10 and can be purchased through School Cash Online.

### QMS Learning Goal for 2025.2026

For the upcoming school year, our staff is engaging in professional learning in the areas of numeracy and literacy. For the last three years our school goal focused on developing the five SEL competencies with our students: self-awareness, self-management, relationship skills, social awareness and responsible decision-making. Stay tuned for more updates on our school learning plan.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

## Safety First:

### Safety to and from School:

#### Parents and Guardians:

**Please take care when dropping off and picking up your children from school:**

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

#### Students:

#### **Be Aware of Your Surroundings:**

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

#### **Team Up:**

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

**Check the school website for our “Best Routes to School” brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:**

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

### Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counselling office.

### Visitors:

**Please report to the office when visiting the school:**

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one our “visitor” badges is helpful to staff who may not know you.

### Principal's Message:

Now that our first full week is complete, students have settled into their classroom schedules and routines, including their first rotation of exploratory classes. On Thursday, the building was buzzing as the entire school gathered in the Gym for our highly energetic Welcome Back assembly. Thank you to Mr. Ha & Mr. Rai for organizing such a fun assembly! During this time, students were introduced to all our staff, learned about ways to get involved in school activities, teams and clubs; and also discovered the title of this year's winter musical production—*The Little Mermaid* (see p.6)! The musical is a wonderful community-building event for our entire school. Audition information and opportunities to get involved will be shared during our morning announcements. Meanwhile, the week ended with all students back in the gym for Indigenous storytelling with Dallas Yellowfly (c/o 3 Crows Productions). Students were treated to an engaging presentation focused on themes of respect for the land, sustainability, Indigenous knowledge & worldviews. Special thanks to our audience participants - Kolton, Shaughnessy, Logan and Mr. Ha!

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

### Principal's Message:

This past week we had our first breakfast program offerings of the school year. We are grateful to have volunteers on Wednesday & Friday mornings who cook pancakes for our students—it was such a great turnout this week! If any parents or grand-parents are interested in helping out with our breakfast program, please reach out to our PAC ([qmspac2013@gmail.com](mailto:qmspac2013@gmail.com)). With respect to parent volunteers, it was also great seeing parents joining us for our first QMS PAC meeting of the school year on Wednesday. Meanwhile, on Thursday, we also had our photo day. For any students who were absent on Thursday or may need a re-take, Artona photographers will return to QMS on the morning of October 30.

In sports, our Grade 8 girls volleyball team was back in action as they played their first two games on Wednesday. The girls played well as a team and won both their matches vs. Burnaby Central (2-0) and Alpha Secondary (2-1). Next up for the girls are two matches at Byrne Creek and Burnaby South on Wednesday. This year's schedule is a bit different as the grade 8 teams in Burnaby/New West play 2 matches on the same day (at one venue). Go Tsunami!

Looking ahead to next week, we will be having our Terry Fox Run on Thursday afternoon. If any parent/guardians are able to help out, please email our PAC. Next week is also Reconciliation week. In addition to lessons and activities planned by teachers, we are encouraging students to wear orange on Friday.

As we get into the last days of September, a reminder to families that the school will be closed to students both on Monday, September 29 (Professional Development Day) and Tuesday, September 30 (National Day of Truth & Reconciliation).

Enjoy your Sunday!

John Lekakis  
QMS Principal

# School Routines and Expectations:

## QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

### The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

### Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

### Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
  - Interfere with the learning of others
  - Interfere with an orderly environment
  - Create unsafe conditions
- ◆ Acts of:
  - Bullying, harassment or intimidation
  - Physical violence
  - Retribution against a person who has reported incidents
  - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
  - Possession, use or distribution of illegal or restricted substances
  - Possession or use of weapons
  - Theft of or damage to property

**RESPECT & RESPONSIBILITY**

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

## Safety First:

### Safety to and from School:

#### Parents and Guardians:

**Please take care when dropping off and picking up your children from school:**

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

#### Students:

##### **Be Aware of Your Surroundings:**

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

##### **Team Up:**

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

**Check the school website for our “Best Routes to School” brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:**

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

### Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counselling office.

### Visitors:

The last full week of September was a busy one as students focused on Truth & Reconciliation and Terry Fox. On Thursday, students and staff participated in our annual Terry Fox Run. Thank you to our Grade 8 teachers and students for organizing such a fun event, and for coordinating all the classroom collections. As was announced on Friday, we raised an incredible \$2242 towards cancer research - way to go QMS! With the donations surpassing our goal, Mr. Rouleau will be shaving his head! Thank you Mr. Rouleau for being such a great sport! Thank you as well to our PAC for donating all the juice boxes for our students and for helping supervise students along the route! Congrats to Division 9 (Mr. Rouleau) and Division 7 (Ms. Takhar) for being the top 2 classes in donations collected (see p.7)!

Classes were actively engaged in lessons and activities throughout the week - culminating with Orange Shirt Day on Friday. Thank you to all the classes for their Orange Shirt Day contributions to the art displayed in the school's front doors/windows and Multi-Purpose Room (see p.6).

In sports, our Grade 8 girls volleyball team was on the road again on Wednesday as they played two games vs. Byrne Creek and Burnaby South. The girls competed hard in both matches but lost in 3 sets to both opponents (2-1). Next up for the girls are two matches at FRMS on Wednesday. This year's schedule is a bit different as the grade 8 teams in Burnaby/New West play 2 matches on the same day (at one venue). Our only home date is October 8. Go Tsunami!

Looking ahead to next week, a reminder to families that the school will be closed to students both on Monday (Professional Development Day) and Tuesday (National Day of Truth & Reconciliation).

Enjoy your long weekend!

# School Routines and Expectations:

## QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

### The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

### Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

### Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
  - Interfere with the learning of others
  - Interfere with an orderly environment
  - Create unsafe conditions
- ◆ Acts of:
  - Bullying, harassment or intimidation
  - Physical violence
  - Retribution against a person who has reported incidents
  - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
  - Possession, use or distribution of illegal or restricted substances
  - Possession or use of weapons
  - Theft of or damage to property

**RESPECT & RESPONSIBILITY**

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

## Safety First:

### Safety to and from School:

#### Parents and Guardians:

**Please take care when dropping off and picking up your children from school:**

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

#### Students:

##### **Be Aware of Your Surroundings:**

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

##### **Team Up:**

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

**Check the school website for our “Best Routes to School” brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:**

### Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

### Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counselling office.

### Visitors:

**Please report to the office when visiting the school:**

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one our “visitor” badges is helpful to staff who may not know you.
