Principal's Message:

With the second term winding down, students were busy completing a range of assessments in their classes. Meanwhile, in our Music and PHE classes students have been choreographing & practicing their dance routines for the dance unit. The culmination of this hard work will be on display for our QMS community during our March 12 Dance Show in the Gym. Similar to last year, we are hoping to livestream the event and will share out further information early next week. By Wednesday, we will have the schedule for each dance group finalized (so any parents who wish to pop into the gym to see their child perform can quickly do so).

In sports, just as the basketball season ended, the Grade 8 boys volleyball season has now begun. Our boys spent a few of their lunch hours this past week practicing in the gym. Meanwhile, our Grade 5 ball hockey season also came to an end as the team competed very well and had a lot of fun during the district-wide tournament held at FRMS on Wednesday. Congrats on a great season and thank you to our coaches (Ms. Sidhu, Ms. Jeske, Ms. Cassidy & Mr. Ha) for all their encouragement and support!

This past week we had our Grade 8s visit Vancouver Circus School for some fun exercise. Also this past week our Grade 8 classes participated in a presentation (on toxic masculinity) c/o the Children of the Street Society.

As we look ahead to our last week before spring break, there are many classes that will be enjoying fun field trips and activities. We want to remind students to check out the lost and found (as there are many articles of clothing piling up) and to clean out their desks and lockers.

Enjoy your weekend.

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

RESPECT & RESPONSIBILITY

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

Safety First:

Safety to and from School:

Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

Students:

Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counselling office.

Visitors:

Please report to the office when visiting the school:

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one our "visitor" badges is helpful to staff who may not know you.

Student Planners:

The planner is a powerful organizational tool for students and an important means of communication between parents and teachers.

Students are expected to write homework assignments in their planners each day, and we ask that parents sign the planner each evening.

The cost of the planner is \$10 and can be purchased through School Cash Online.

SD 40 Proposed Police Partnership Program:

February 19, 2026

Letter to Families About the Proposed Police Partnership Program

Dear Families:

At New Westminster Schools, we are committed to cultivating inclusive spaces where every student feels safe and experiences a true sense of belonging. To further this commitment to secure and supportive learning environments, the Board of Education and the district are developing Policy 28, which outlines a formal partnership with the New Westminster Police Department.

The Police Partnership Program (PPP) is a transparent, relationship-focused initiative dedicated to enhancing school safety and student well-being. Rooted in human rights principles, the PPP integrates civilian supports, restorative practices, and inclusive education. Key elements of the PPP include:

Staff-led discipline where schools retain full responsibility for managing student conduct that is not in line with codes and expectations.

Collaboration where staff and community officers work side-by-side to foster a positive school climate.

Strict supervision through two new administrative procedures (AP192 and AP193). These APs establish specific roles, responsibilities, oversight mechanisms, and outline rigorous information-sharing protocols that provide clear direction on when, how, and by whom personal information may be shared with the police.

We believe this policy and these administrative procedures are of such significance that they must be shaped by our community. In alignment with our commitment to public participation and in line with principles of International Association of Public Participation (IAP2), we are requesting feedback on Policy 28 and Administrative Procedures 192 and 193.

The proposed timeline is as follows:

February 24 – The proposed policy and administrative procedures are introduced at the open board meeting for discussion.

February 19 to March 3 – We invite you to review the draft policy and procedures. Your insights are vital to ensuring this partnership reflects the values and needs of our families. Once the community input period has closed, we will review all feedback to ensure the final policy and administrative procedures reflect a balanced, community-focused approach prior to coming before the Board.

March 10 – The proposed policy, along with AP192 and AP193, will be presented to the Board of Education for consideration.

Drafts of the policy and administrative procedures are available for review:

Draft Administrative Procedure 192 – Police Partnership Program

Draft Administrative Procedure 193 – Information Sharing with Law Enforcement

Draft Policy 28 – Police Partnership Program

Provide your feedback through our online form:

Submit your input on Policy 28 and APs 192 and 193

Thank you for your continued partnership and for your dedication to the success of our students.

Chair, Board of Education*

Principal's Message:

Well, Spring Break has finally arrived! It was a fun week at QMS as many classes enjoyed field trips, including Divisions 12-15 going to the Anvil Centre, while all Grade 6 & 7 classes had a fun day at Central City Fun Park (on Wednesday). Meanwhile, all students had their Term 2 report cards published in the MyEd BC parent portal on Thursday.

The highlight of the week was Thursday's QMS Dance Show as our students and staff gathered in the Gym to cheer on the 42 dance performances. Congratulations to all our dancers who showcased their talent, hard work and perseverance on stage. The students' efforts are a reflection of their determination and dedication over these last few weeks, as all students took part in the cross-curricular dance unit during PE and Music classes. Thank you to Mr. Rai, Ms. Weick, and Ms. Stephen for their encouragement and support!

On behalf of the QMS staff, I would like to wish our QMS families a wonderful Spring Break! We'll see you back at QMS when school re-opens on Monday, March 30.

Enjoy your Spring Break!

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

RESPECT & RESPONSIBILITY

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

Safety First:

Safety to and from School:

Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

Students:

Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counselling office.

Visitors:

Please report to the office when visiting the school:

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one our "visitor" badges is helpful to staff who may not know you.

Student Planners:

The planner is a powerful organizational tool for students and an important means of communication between parents and teachers.

Students are expected to write homework assignments in their planners each day, and we ask that parents sign the planner each evening.

The cost of the planner is \$10 and can be purchased through School Cash Online.

SD 40 Proposed Police Partnership Program:

February 19, 2026

Letter to Families About the Proposed Police Partnership Program

Dear Families:

At New Westminster Schools, we are committed to cultivating inclusive spaces where every student feels safe and experiences a true sense of belonging. To further this commitment to secure and supportive learning environments, the Board of Education and the district are developing Policy 28, which outlines a formal partnership with the New Westminster Police Department.

The Police Partnership Program (PPP) is a transparent, relationship-focused initiative dedicated to enhancing school safety and student well-being. Rooted in human rights principles, the PPP integrates civilian supports, restorative practices, and inclusive education. Key elements of the PPP include:

Staff-led discipline where schools retain full responsibility for managing student conduct that is not in line with codes and expectations.

Collaboration where staff and community officers work side-by-side to foster a positive school climate.

Strict supervision through two new administrative procedures (AP192 and AP193). These APs establish specific roles, responsibilities, oversight mechanisms, and outline rigorous information-sharing protocols that provide clear direction on when, how, and by whom personal information may be shared with the police.

We believe this policy and these administrative procedures are of such significance that they must be shaped by our community. In alignment with our commitment to public participation and in line with principles of International Association of Public Participation (IAP2), we are requesting feedback on Policy 28 and Administrative Procedures 192 and 193.

The proposed timeline is as follows:

February 24 – The proposed policy and administrative procedures are introduced at the open board meeting for discussion.

February 19 to March 3 – We invite you to review the draft policy and procedures. Your insights are vital to ensuring this partnership reflects the values and needs of our families. Once the community input period has closed, we will review all feedback to ensure the final policy and administrative procedures reflect a balanced, community-focused approach prior to coming before the Board.

March 10 – The proposed policy, along with AP192 and AP193, will be presented to the Board of Education for consideration.

Drafts of the policy and administrative procedures are available for review:

Draft Administrative Procedure 192 – Police Partnership Program

Draft Administrative Procedure 193 – Information Sharing with Law Enforcement

Draft Policy 28 – Police Partnership Program

Provide your feedback through our online form:

Submit your input on Policy 28 and APs 192 and 193

Thank you for your continued partnership and for your dedication to the success of our students.

Chair, Board of Education*
