Principal's Message:

We made to the final week of the school year! This past week was full of activity, beginning on Tuesday night with our Grade 8 dinner/dance—a great time was had by all! Thank you to our parent volunteers for organizing such a fun night for our grads! Thursday was an exciting day for our Grade 6 & 7 classes as they enjoyed a very fun day at Playland. Meanwhile, after school on Thursday, QMS families and community members gathered on the field for the FIFA viewing party, where hundreds gathered to cheer on Canada vs. Qatar (see p.6). Finally, the week ended with the Grade 5s enjoying the day at Moody Park pool, while the Grade 8 classes spent the day at White Pine Beach.

Thank you to the parents who attended our final QMS PAC meeting on Wednesday night. On behalf our school community, thank you to our departing PAC Chair, Don Doyle, and our PAC Secretary, Deb Lindsay for all their hard work and volunteering over the last few years! If you are interested in joining the PAC executive please email: qmspac2013@gmail.com.

With a very warm week ahead, students are reminded to stay hydrated and to dress appropriately for their learning. Students are expected to follow our school's code of conduct and to continue to be respectful and responsible with their behaviours - in order to ensure a successful completion of the school year.

Looking ahead to next week, we're looking forward to our year-end assembly on Wednesday (10:30 a.m.), & our Grade 8 school leaving ceremony on Thursday (1:00 p.m.).

Enjoy your weekend!

John Lekakis
QMS Principal

School Routines and Expectations:

QMS Code of Conduct

The QMS Code of Conduct follows the guidelines of the BC Human Rights Code. QMS Staff, Students, Parents and any visitors to the school are expected to follow the Code of Conduct.

The purpose of the QMS Code of Conduct and Code of Consequences:

- ◆ To establish and maintain a safe, caring and orderly environment for purposeful learning
- ◆ To clarify and publish expectations for student behavior at school, going to and from school, and while attending any school function or activity at any location
- ◆ To promote the values expressed in the **BC Human Rights Code** respecting the right of all individuals in accordance with the law-prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation or gender identity-in respect of discriminatory publication and discrimination in accommodation, service and facility in the school.

Acceptable Behaviour for QMS Students:

- ◆ Showing Respect, Compassion and Integrity
- ◆ Respecting self, others, the learning environment and the surrounding environment
- ◆ Helping to make the school a safe, caring and orderly place
- ◆ Informing an adult, in a timely manner (in advance, if possible) of incidents of bullying, harassment or intimidation
- ◆ Engaging in purposeful learning activities in a timely manner
- ◆ Acting in a manner that brings credit to QMS
- ◆ The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments.

Unacceptable Conduct for QMS Students:

- ◆ Behaviours that:
 - Interfere with the learning of others
 - Interfere with an orderly environment
 - Create unsafe conditions
- ◆ Acts of:
 - Bullying, harassment or intimidation
 - Physical violence
 - Retribution against a person who has reported incidents
 - Discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or gender identity (prohibited grounds set out in the **BC Human Rights Code**)
- ◆ Illegal acts, such as:
 - Possession, use or distribution of illegal or restricted substances
 - Possession or use of weapons
 - Theft of or damage to property

**RESPECT &
RESPONSIBILITY**

The unacceptable behaviours listed in the Code of Consequences are examples only and are not intended to be an all-inclusive list.

A student's medical, cognitive, social-emotional and personal profile must be considered in the determination of appropriate interventions and/or consequences. Therefore, the application of the school's Code of Conduct must take into account the student's ability to meet behavioural expectations.

Disciplinary action, wherever possible, is preventative and restorative, rather than merely punitive. The purpose of consequences for unacceptable behavior is to help students learn from mistakes and be proactive about preventing further inappropriate behaviour.

Safety First:

Safety to and from School:

Parents and Guardians:

Please take care when dropping off and picking up your children from school:

- ⇒ Drive slowly in the vicinity of the school and park
- ⇒ Watch for pedestrians
- ⇒ Don't stop in or block the crosswalks
- ⇒ Please park in legal, designated areas

Students:

Be Aware of Your Surroundings:

Pay attention when walking to and from school. Watch out for moving vehicles at driveways, back lanes and parking lots. If you are listening to music, remove an ear piece before crossing the street or walking in less populated areas.

Team Up:

It is safer and more fun to walk to school with family or friends. If something unusual happens on your way to or from school, report the incident immediately to an adult you know and trust.

Check the school website for our "Best Routes to School" brochure for maps and safety tips for walking and cycling to school, and the following link for Back to School Safety Tips:

<https://www.tranbc.ca/2015/09/01/prepare-to-be-schooled-bc-is-back-to-school/>

Personal electronic devices:

If students have an electronic device that they want to use for personal reasons on the way to and from school, they must lock it in their locker as soon as they arrive at school.

At times, teachers may permit students to bring devices into the classroom for educational purposes; otherwise they should be secured in their lockers. Emergency phone calls can be made at the office during the day.

Please note that any personal items brought to school are at the student's own risk - the school is not responsible for lost, stolen or damaged items.

In keeping with the new BC Ministry of Education's Ministerial Order M89 (and AP 104 District Code of Conduct), **"The use of personal digital devices at school is to be restricted for educational purposes, to promote online safety and focused learning environments."**

Bikes, Scooters and Skateboards:

Many students ride bikes, scooters or skateboards to school. For your child's safety, please ensure that they are wearing an approved helmet. Thank you for helping to keep our children safe.

Scooters & skateboards can be stored in the blue cage located by near the counselling office.

Visitors:

Please report to the office when visiting the school:

Please sign in at the office when entering the school. We need to be aware of all visitors to the school and identifying yourself with one our "visitor" badges is helpful to staff who may not know you.

Student Planners:

The planner is a powerful organizational tool for students and an important means of communication between parents and teachers.

Students are expected to write homework assignments in their planners each day, and we ask that parents sign the planner each evening.

The cost of the planner is \$10 and can be purchased through School Cash Online.
