- We encourage families to park their vehicles a short distance from the school and walk their child(ren)
- To help with the flow of traffic, we ask that families access School Street from Devoy Street (please avoid turning onto School Street off Richmond Street)

- To use the lower campus roundabout, please make a right turn into the roundabout
 - please pull to the first available space to drop your child off so that they can exit from your vehicle straight onto the sidewalk
 - once your child has safely exited your vehicle, please exit the roundabout by turning right onto School Street.
- The upper campus drop off roundabout is for Daycare Centre parents (infants to age 5)
- The parking lot at the end of Archer is not to be used for drop-off or pick-up because it is unsafe

Orange Shirt Day

This week our school has been focused on learning about truth and reconciliation. We are reading and learning from stories about residential schools. We are also using language as one way to put reconciliation into action.

In residential schools, Indigenous children were not allowed to speak their home languages. They had their languages stolen from them. Today, many Indigenous languages risk being lost forever. One act of reconciliation that we can do is make our school a safe place where Indigenous language is valued, celebrated, seen, and heard.

This is our second year of building on hən̍qəmin̍əm' learning as a school. We invite families to join our learning! Check out some of the songs and words that we have been practicing at school.
