

StrongStart Early Learning Centres

StrongStart is a FREE play-based early learning program for children aged 0—5 years old and their parents, grandparents, or caregivers.

A place to play, discover, connect, create and learn.

Your child... will feel free to explore and play in an environment that is friendly, safe and inspiring.

You... will get to share in the excitement and successes of your child's early learning experiences and discover new ways to support your child's learning at home.

A qualified Early Childhood Educator... will lead early learning activities, including stories, music and art to help children get ready for success in Kindergarten.
