

## COMMUNITY EDUCATION

### Background

Learning is lifelong and, therefore, the District is committed to providing service to meet the needs and interests of the citizens of New Westminster.

### Procedures

1. The District supports the use of District facilities and personnel to provide a wide-range of educational opportunities. However, as the Board's mandate is to first meet the needs of the Kindergarten to Grade 12 learners, the provision of educational opportunities for other learners will be offered within current funding guidelines and will not be at the expense of the K - Grade 12 program.
