### Uplifting quote + song that illuminates:

*“I wonder if the snow loves the trees and fields, that it kisses them so gently. And then it covers them up snug, you know, with a white quilt; and perhaps it says, ‘go to sleep, darlings, till the summer comes again.’”* Lewis

Carroll

“Let it snow” by Frank Sinatra

## Dress for the weather

We are playing outdoors every day, kindly ensure your child is dressed for the weather.

## Let`s Play! Activities for Families

has been developed by the BC Ministry of Education for families and caregivers to support children`s early learning experiences through playing and having fun. Each play activity connects with one of the Living Inquiries described in the BC Early Learning Framework, which are:

- Engagement with Others, Materials and the World
- Communication and Literacies
- Identities, Social Responsibility, and Diversity
- Well-being and Belonging
