StrongStart Parent Survey 2025

Thank you for your time and for being a valued part of our early years' community.

As we wrap up the school year, we extend our gratitude to the educators who have so passionately welcomed children into the world of play. Their dedication to nurturing curiosity, wonder, and joy lays the foundation for lifelong learning. Thank you for seeing the unique gifts each child brings and for creating the spaces—indoors and out—where those gifts can shine. To the parents and caregivers, thank you for embracing the power of play and the brilliance of your children. Thank you for stepping into the classroom with your time, creativity, and love—through art, light exploration, and stories. And thank you for joining children in muddy puddles, sunny or shaded forests, and for trusting the magic that unfolds when children lead with imagination.

Looking forward to spending a month of play with you!
