All about our 2026-27 school year at StrongStart:

- StrongStart programs are free, drop-in and on first-come first-served basis.
- Welcoming twenty (20) children for each session together with one caregiver.
- It is our collective responsibility to protect the children that are attending our StrongStart Centres. Please keep your child at home if ill.
- Play is how children learn to learn, therefore our classrooms will invite children to play alongside your guidance. Adult involvement in StrongStart BC early learning centres and outreach programs is fundamental to the purpose of the program. Research shows that when parents and caregivers actively participate in their children's early learning, it significantly enhances their development and long-term success.
- Please dress for the weather: we play outdoors daily, rain or shine.
- We encourage you to participate in your child's play in ways that are meaningful to you.
- Please read the StrongStart Parent Guide available at each of our site or on our website.

Upcoming events you won't want to miss:

Queensborough StrongStart
Oct 16 Kinsight consultant

Skwo: wech StrongStart
Oct 6 Kinsight consultant
Oct 29 CCRR at 9:30 am
Oct 30 CCRR at 1:00 pm
Every Monday Story time with
Ms. Su

For returning families:

WELCOME BACK!

Please complete the registration form online.

For new Families:

If you're joining StrongStart for the first time, please register your child before attending. Registration forms are available both online and at the centres. You can complete the forms ahead of your first visit or on your first day at the centre. When registering for the first time, please bring a piece of identification for your child, such as a birth certificate or passport.

As a parent or caregiver, you play the most important role in your child's early development. The BC Early Learning Framework celebrates this by recognizing that a child's sense of well-being and belonging begins with their relationships: with you, their family, their community, and the world around them. We are looking forward to learning alongside you.
