Data constraints

The school district made best efforts to collect gender information. Collection of gender information is voluntary, and a significant portion of employees (78.5%) did not respond. The school district has therefore opted to use birth sex information as a proxy for the purposes of this report. The school district intends to collect and use gender information for the 2027 reporting year.

Explanatory notes

7. "Mean bonus pay" refers to bonus pay when averaged for each group.
8. "Median bonus pay" refers to the middle point of bonus pay for each group.
9. "Pay quartile" refers to the percentage of each gender within four equal sized groups based on their hourly pay.

* In accordance with the Pay Transparency Act and reporting rules designed to protect the anonymity and privacy of respondents, one or more gender categories has been excluded due to insufficient numbers to meet disclosure requirements.
